

TRAILHEADS

FOUR PEAKS WILDERNESS

Not uncommonly one of the more challenging parts of a backcountry trip is attempting to find the trailhead itself. To assist you in reaching the jumping-off place, we have developed the following directions to the trailhead named below:

Mills Ridge - From Roosevelt Dam, drive 3.4 miles northwest on State Highway 188 to road 429. Turn left and follow this road approximately 6 miles to the trailhead. A 4WD vehicle is recommended. Trail accessed: **Four Peaks Trail 130**.

Be sure to secure your vehicle, and don't leave valuables in sight while you gone. Also be sure someone knows where you are going.
